## Bill Payment

Bill payment in the internet banking is the easiest and the smartest way to pay your utility bills such as Electricity, Insurance, Telecom etc.

1. Go to 'Bill Payment', input Information (biller, amount and customer ID) and then click [Inquiry]

The screenshot shows the KEB Hana Bank Bill Payment interface. The top navigation bar includes links for Inquiry, Transfer, Online Purchase, Bill Payments, F/X and Remittance, Scheduled Transfer, Loan, and Open an Account. The main header displays the current path: Personal Banking > Bill Payment > Bill Payment. The left sidebar contains a 'Bill Payment' section with a 'Bill Payment Inquiry' link and three expandable sections: Interest Rate, Exchange Rate, and Transfer Information. The main content area is titled 'Bill Payment' and contains an 'Information' section with fields for Biller (Kartu Kredit), Customer Id, and Bill Amount (IDR). Below this is an 'Account Information' section with a dropdown for Select Account and a field for Debit Card Pin. At the bottom right are 'Cancel' and 'Submit' buttons. The bottom of the sidebar features icons for Networks and Atm Networks.
